

DIVISION OF FIRE HEADQUARTERS COMMUNICATION

NUMBER:

CLASS: SPECIAL ORDER

DATE: JULY 1, 2011

SUBJECT: 3RD QUARTER EMT CONTINUING EDUCATION ANNOUNCEMENT

Members of the division are notified of the release of the third quarter EMT continuing education modules. This quarter, the education comes in two parts with two separate topics. The topics are STEMI and Prehospital Stroke Care. They are in the form of audio podcasts and are interviews with UH doctors, nurses and specialists. Podcasts are non-streaming webcasts that typically are released by episode. Podcasts can be accessed by any number of people at one time. They may also be downloaded to your computer, or to your mobile device to be accessed by you at any time by downloading itunes on to your computer. (If you choose the itunes option, once you have itunes on your computer or iphone, ipod, ipad etc, simply search for "uh ems institute podcasts" and you will find both.) The podcasts were created by University Hospitals.

To access the podcasts on the UH website for listening on your PC, go to [UH Podcast Website](#)

Or

To subscribe and download in itunes go to [UH EMS Institute itunes Podcasts](#)

After listening to the audio podcasts, log in to your UH online testing account and complete the quiz. Each quiz is worth 2 CE. The quiz will be available on July 1, 2011.

BY ORDER OF

Paul A. Stubbs, Chief
Division of Fire
